How Visitor Data Is Collected	16
Page Tags and Logfiles	16
Cookies in Web Analytics.....	19
Get Comfortable with Your Data and Its Accuracy	20
Issues Affecting Visitor Data Accuracy for Logfiles	21
Issues Affecting Visitor Data from Page Tags	22
Issues Affecting Visitor Data When Using Cookies	25
Comparing Data from Different Vendors.....	27
Why Pay-Per-Click Vendor Numbers do not Match	30
Accuracy Summary and Recommendations.....	33
Privacy Considerations for the Web Analytics Industry	34
Chapter Summary	36
Chapter 3: Where Google Analytics Fits.....	36
Key Features and Capabilities of Google Analytics.....	37
Overview of Key Features	37
Did You Know.....	40
How Google Analytics Works	42
Google Analytics and User Privacy	43
What is Urchin?	45
Google Analytics versus Urchin	46
Chapter Summary	48
Part II: Using Google Analytics Reports.....	49
Chapter 4: Using the Google Analytics interface	49
Discoverability	50
Navigating Your Way Around: Report Layout	51
Selecting and Comparing Date Ranges	55
Hourly Reporting	56
Scheduled Export of Data	56
Cross Segmentation.....	57
Chapter Summary	58
Chapter 5: Top Reports Explained.....	58
The Dashboard Overview	59
The Top 10 reports.....	60
Visitors: Map Overlay	60
E-commerce: Overview Report.....	61
Goals: Overview Report.....	61

Goals: Funnel Visualization Report	62
Traffic Sources: AdWords Reports	63
Traffic Sources: Source and Medium Report	64
Content: Top Content Report	65
Content: Site Overlay Report	66
Traffic Sources: AdWords Positions Report	67
Site Search Usage	68
Content Reports: \$Index Explained	69
Chapter Summary	71
Part III: Implementing Google Analytics.....	71
Chapter 6: Getting Started.....	72
Creating Your Google Analytics Account	73
Tagging Your Pages.....	75
The GATC	75
Server Side Tagging.....	76
Collecting data into multiple Google Analytics accounts	76
Backup: Keeping a Local Copy of Your Data.....	77
When and How to Use Accounts and Profiles	81
Agencies and Hosting Providers: Setting Up Client Accounts.....	82
Getting AdWords Data: Linking to Your AdWords Account	82
Test after enabling your auto-tagging.....	84
Common Implementation Questions Answered.....	85
Chapter Summary	88
Chapter 7: Advanced Implementation.....	88
trackPageview(): The Google Analytics Work Horse	89
Virtual Pageviews for Tracking dynamic URLs	90
